

LobbyTorque

A **TorquePoint** experiential learning programme focussed on effective **political lobbying** in New Zealand

What is **LobbyTorque**?

TorquePoint's flagship learning programme

LobbyTorque is a full-day immersion in the art of political lobbying. Our experiential learning programme will guide you, as a member of a team, through a complex range of real life simulations relating to lobbying at a variety of levels.

After a day of **LobbyTorque** you will know who to contact, when, where and how to go about it and what you should be talking about. Your head will be spinning with ideas from simulations designed especially for your business, organisation or industry.

If you're looking for a quiet day out of the office **LobbyTorque** probably isn't for you - this is a day packed with interactive challenge, learning and fun. Anyone can lobby - only a few lobby effectively - and we will show you how!

What is unique about **LobbyTorque**?

We believe that your passion sells your message best

Our principal point of difference is that, in the great Kiwi DIY tradition, we teach you how to do your own lobbying.

At **TorquePoint**, our role is to arm you with the ability to tell your story with influence to those best placed to facilitate change.

We won't do your lobbying for you. Why? - The best person to sell your message with passion is you!

We are specialists in workplace simulation. We consult and teach using experiential learning methods because we believe that this is the most effective way for adults to achieve positive results. It's intense but fun.

Next LobbyTorque is at the Sofitel Hotel, Wellington on Thursday 8 April 2021

The entire focus of **LobbyTorque** is to transfer the capability to lobby into the hands of the individuals

and organisations that seek our assistance. The most important thing is to get your case heard, supported and acted on.

Once you know the basics of lobbying, we can also help with tailoring your specific messages, providing a sounding board for your plans and mentoring you through the process of achieving your aims.

Your Torque Team:
Heather Roy & Simon Ewing-Jarvie

Thought provoking, lots of fun, good space to learn in and get a different perspective.

LobbyTorque Attendee, August 2013

What's in the programme?

There's lots of talk in lobbying but effective lobbying that convinces others is all about torque - gaining creative leverage for your organisation or cause. Here's what our experiential learning programme involves...

All this and more is covered in *LobbyTorque*

-  Learn about the political spectrum and the right approach for dealing with different sectors within it.
-  Explore the passage of ideas into law and determine where in that process you can gain maximum leverage for your message.
-  Scope a profiling campaign to achieve your assigned goals.
-  Meet with a politician and their staff in order to win their support for your cause.
-  Plan a written submission and also make an oral submission to a Select Committee or local body consultation.
-  Examine the basic principles of successful media engagement and write a media release.
-  Attend a media conference and ask questions of the Minister, Mayor or other official who is making an announcement.
-  Observe and assess a media interview at 'close-up and personal' range.
-  See how to use informal lobbying opportunities to best advantage.

FAQs

If it isn't answered here, please get in touch with us...

How often is *LobbyTorque* run?

Public courses are run 3-4 times per year. Next course is in Wellington 8 April 2021.

Where?

Usually Wellington and Auckland for public courses but, if there's enough interest, we will run them anywhere.

Can you run an in-house version?

Absolutely! This gives us the opportunity to fine tune the simulation to your organisation's needs.

How much?

Public courses are \$895 (excl) per person. In-house courses are quoted separately. Give us a call!

Who are the facilitators?

Hon Heather Roy and Dr Simon Ewing-Jarvie. Resumes are on our website or see LinkedIn for more detail.
