5 Minute Political Compass

There is no wrong or right answer for the Political Compass. Take your scores from the previous page and plot them on the compass to find where you lie on the political spectrum. For example, if you scored 50/100 for the Economic questions (plot this on the x-axis) and 50/100 for the Personal questions (plot this on the y-axis) you will lie dead centre on the political compass.

Definitions:

- Capitalist - *believes in a free market economy*
- Socialist - *believes in a state run economy*
- Liberal - *believes in new ideas and new ways of managing a democracy*
- Conservative - *believes in traditional ways of managing a democracy*
